Galations 5: 22-26 Holy Bible

There is a very special incredible verse that will tell you that God the Father wants to transmit and impart 9 specific fruits of the Holy Spirit up into our personalities.

**God wants all of us to enter into a _____
_____ with Him so that He can begin
the process of _____,**

**_____, and _____ us into the
express image of His Son Jesus Christ. He wants to make us**

**into a better and more holy people. He wants to
_____ us by the renewing of our minds. He
wants to put
right thinking into our thought process.**

**We can't help think of
_____!**

**Galatians 5:22-26 New International Version (NIV)
22 But the fruit of the Spirit is love, joy, peace, patience,
kindness, goodness, faithfulness, 23 gentleness and**

self-control. Against such things there is no law.

24 Those who belong to Christ Jesus have crucified the flesh with its passions and desires. 25 Since we live by the Spirit, let us keep in step with the Spirit. 26 Let us not become conceited, provoking and envying each other.

When God the Father purposely isolates and spells out 9 specific qualities that will be coming direct from His Holy Spirit – then He is really letting you know the extreme importance of these 9 specific fruits.

These 9 fruits are major fruits and qualities that are coming direct from God Himself – and every Christian should do the best they can to work with the _____ in getting all 9 of these fruits worked into their personality.

I will first start off by highlighting each of these 9 specific fruits so that you can have all 9 of them isolated right away. I will then give you the Scripture verse where these 9 fruits are coming from, and then do a brief commentary on each one of these fruits so you can fully understand what each one of these fruits are all about, and how they can dramatically change the quality of your life and state of well-being if you are willing to allow the Holy Spirit to start to work all 9 of these fruits into your personality.

Here are the 9 fruits of the Holy Spirit :

Love

Joy

Peace

Patience

**Kindness
Goodness
Faithfulness
Gentleness
Self-control**

Before I get into the appropriate commentary on each of these nine fruits, note the following:

The word _____ is with a _____ – which means these 9 fruits are coming directly from the Holy Spirit, not from ourselves.

What this means is that God's love, God's peace, God's joy, and God's goodness can start to be transmitted up into our personality. These are His divine attributes and personality qualities that will start to move into the core of our _____.

Think about the ramifications of this – that God the Father Himself is allowing us to share in a part of His divine nature by allowing His Holy Spirit to _____ and _____ these nine divine qualities right up into our soul and _____!

**Let's talk Vine & Branches here! _____
Please draw a vine with branches here:**

The branches draw their life from the _____, not vice versa. Just as the _____ draws its life from the vine, so too must we draw our life directly from Jesus. Jesus will release His divine life directly into us through the _____ in the exact same way that the vine will release the life of the tree into the branches.

Sanctification process.
What is it?

“Nothing will draw nonbelievers and believers alike to the Lord than a truly sanctified saint in the Lord who is walking and operating in all 9 fruits of the Holy Spirit.”

These fruits will be coming directly from _____. They will be _____, _____, _____, and _____ that will start to flow into you. But you will still have to do your part in all of this. Once these divine attributes start to be released into your personality by the Holy Spirit – your job will then be to start to walk and operate in them.

This sanctification process is a _____ street.

God is more than willing and anxious to do His part – but

you will have to be willing to do your part.

YOUR PART:

1.

2.

This part God cannot do for you.
